Hi Mary Beth – I updated Gina on Amendment No. 4 yesterday and before she sends a request to Rhonda for an extension, she'd like to confirm a couple things. First, she wants to confirm our current Period of Performance ends on December 31, 2020 and not December 20, 2020 as shown on Loreen's GLAES-CH2M Agenda. If it is December 31, 2020, as we think it is based on the SOW Revision 5 dated May 2020, could you please notify Loreen to make an update on her agenda.

The second item Gina wanted to clarify is the text in the current SOW for the Design Support Task – Task 12. We discussed the text directing CH2M to budget only 100 hours for this task; however, you agreed we should include whatever hours we felt needed to complete the agreed upon tasks as long as we provided the appropriate back up and justification. Gina said she understands we are in agreement on this, but is concerned about how Rhonda may interpret the text. Could you please confirm with Rhonda that a revised version of the SOW is not needed? If she feels a revised SOW is needed, perhaps the sentence indicating a budget of 100 hours is simply stricken out to indicate no specified hours should be assumed.

Please let me know if you'd like me to call you to discuss.

Cheers!

Bill
